

## Martinez Resigns As Vice-President; Jack Dunstan Succeeds to Position

The student commission accepted a letter of resignation from Cruz Martinez, Hartnell college ASB vice-president, during its Monday meeting.

Martinez stated in his letter that the primary reason for

his resignation was his ill health. He said that because of his extended illness he had been unable to keep up with his studies and his job. He was advised by his doctor and by his parents to leave school in order that his health might improve.

According to the college constitution, Jack Dunstan, sophomore representative, automatically becomes vice-president in the event of a vacancy in this office. Dunstan's position is to be filled by appointment at the next commission meeting. The appointment will be made by the commission members.

A joint committee of the faculty and students was discussed somewhat by the commissioners, but due to lack of time, the discussion was tabled until the next meeting.

## Alumni Group Elected Officers Saturday Night

The Hartnell college alumni group elected officers for the coming year at the alumni banquet Saturday night at Castlewood inn. They are Frank Stone, president; Jim Echeveria, vice-president; Maureen Slattery, secretary, and Sid Ahtye, treasurer.

Approximately 75 alumni attended the banquet. The outgoing president, Gerald Hill, became master of ceremonies when the "m.c." scheduled to appear could not come because of a family emergency.

After the banquet, the group went to the stadium to view the football game. During halftime, Hill made a short speech in which he invited everyone to attend the homecoming dance.

Hill, as outgoing president of the alumni group, has expressed his appreciation to Carlyle jewelers for donating the most valuable player award. He stated that the group particularly wished to commend Coach Ken Blue for the fine work that Mr. Blue has done both for the football team and for the college.

## Five Inmates Played For Visiting Students At Prison Concert

The Hartnell jazz club's male members visited Soledad state prison Friday night to hear a jazz concert given by five inmates.

The quintet, which consists of piano, bass, drums, saxophone and trumpet, is a progressive jazz group which calls itself the "Music for Moderns Quintet."

After the concert, the group of 15 students, together with their advisor, Dr. Duane Sandgren, and his guest, Mr. Daniel Coulter, toured the prison.

## Many Students Get Deficiency Notices

Deficiency notices were given recently by the Hartnell faculty.

A total of 362 students, or 26 per cent of the complete enrollment, received one or more deficiencies. Of this number 87 were women and 275 were men.

## Hartnell Club Will Sponsor Jazz Festival

The Hartnell jazz club is sponsoring a jazz concert which will be called the "Hartnell Jazz Festival," and the concert will feature Cal Tjader and his quintet.

The festival will be held Dec. 6 at 8:15 p.m. in the Salinas Union high school auditorium. All seats for the concert will be reserved. Prices will be \$2.50, \$2 and \$1.50, and tickets may be purchased Monday at the college or in the following locations: Gadsby's music store, Salinas; Ford's record shop, Watsonville; Browse Around, Carmel, and Abinante's in Monterey.

## College Gets New Paint Job

Hartnell college is having its face lifted. Mr. Stuart Dufour, college vice-president, stated that this is the first time the buildings have been painted in at least ten years.

The job is being handled by the Acme Painting company of San Jose. The group will paint the main building, the science wing and the gymnasiums.

The cost of having these buildings painted will be \$5,536. The company has also painted the department of agriculture building on A and M campus at a cost of \$2,425.

## Degree Discussed By Administrators

Hartnell's administrators will discuss the expense of a nursing degree with Hartnell's board of trustees soon. If inaugurated, the program will begin in the fall of 1959.

At the meeting in Yosemite national park last week Hartnell administrators directed questions to the state board of nurse examiners regarding what must be done to offer a nursing degree.

A minimum of five nursing instructors holding a master's degree will be needed, and the chemistry and bacteriology teaching loads will be greater.

## Meeting Scheduled For Vets Interested In Forming New Club

All veterans interested in forming a veteran's club are urged to meet Dr. L. L. Bjarnason at 11 a.m. Tuesday in room 15. The purpose of this meeting will be to elect officers.

The club plans to supply information to Hartnell veterans concerning their privileges. The Monterey county veteran's service officer will be invited to speak at one of the club meetings. Social activities will be planned which will include the veteran's companions.

## Skiers Pick Officers

The Hartnell Ski club has elected Virgil Hoadley, president; John Mills, vice-president, and Diane Collier, secretary-treasurer.

## College Concert Orchestra To Play For Theater Group

By LYNNE GARCIA

The Hartnell college concert orchestra, under the direction of Mr. Lorell McCann, plans to play the "incidental music" to the college-community playhouse production of the Merchant of Venice, as produced by Arthur Bouchier at the Garrick theatre in London. The music was composed by Frederick Rosse.

## Ulrici, McCann Combine Talents

■ Mr. Hal Ulrici, left, director of the college-community playhouse, discusses musical score for "The Merchant of Venice" with Mr. Lorell McCann, director of the college concert orchestra, which will play "Incidental Music" for the famous Shakespearean production Nov. 14, 15 and 16 in the Little theater.

The suite will consist of number one, the prelude which precedes the first act. "This beautiful number is rich in solos and duets for French horn, violoncello, flute, clarinets and strings. It prepares the audience for dramatic events which are to follow," said Mr. McCann. Of number two, the Intermezzo (Portia), Mr. McCann said, "This music is a romantic character representation of Portia and precedes her entrance."

### Oriental Atmosphere Created

Number three is the "Oriental March," and, according to Mr. McCann, "This number creates atmosphere for the Oriental suitors who come to seek Portia's hand in marriage." The Prince of Morocco and the Prince of Aragon are two of the suitors.

Number four is Prelude II and "begins with a quiet melody for the oboe, clarinet, and the flute which all converse back and forth. The melody builds up from a quiet moving andante to a great climax and dramatic heights then recedes down to a quiet close."

Number five is the "Doge's March." The doge is like one of our state governors, only he was more powerful. The march is a "very dignified stately march which precedes the final scene of the play," said the Hartnell instructor.

Members of the Hartnell college concert orchestra are Joyce Thompson and Barbara Alinio, violins; Richard McCann, violoncello, Nancy Hickenlooper, flute; Gary Horsley and Phillip Landis, clarinet; Vincent Holmes, French horn; Terrie LaMacchia, piano; and Mr. McCann, viola and director of the orchestra. Miss LaMacchia will have a substitute for the Friday night performance. The substitute has not been selected.

The play, which is under the direction of Mr. Hal Ulrici, will be presented in the Little theater at 8 p.m., Nov. 14, 15 and 16.

## Engineering Department Obtains Microscope for Various Courses

A new microscope was obtained recently for the engineering department at Hartnell. The new acquisition will be used for the various science courses offered.

Engineering courses available include elementary drawing and lettering, which is the study of the principles of orthographic projection; plane surveying; descriptive geometry and technical electronics. An average of four to five hours is spent on field and drafting work every week. Numerous students can be seen daily on the campus surveying property.

Two instructors are on the staff of the engineering department. They are Mr. William R. Bullis and Mr. Vince Anselmo.

Mr. Bullis, who instructs engineering, obtained his master's degree from Oregon State college. He received his bachelor of science degree also from the Oregon institution.

Mr. Anselmo also teaches physics, in addition to his engineering classes. He received his bachelor of science and master's degree at the University of California. He is also the advisor to the Engineer's club.

## International Club Sponsors Dance

The International club will hold an after-game dance Saturday from 10 p.m. to 1 a.m. in the student union lounge.

With "Around the World" as its theme, the cost will be 75 cents a couple and 50 cents for stags. Committees for the dance are publicity, Connie Olivete; tickets, Kiki Morimoto; decorations, Edith McGowan; refreshments, Ruby Shiotani, and overall chairman, Darold Coelho.

## EDITORIAL

## BALLOT BOX STUFFED

During the recent election, the ballot box, as probably everyone knows by now, was stuffed. There were 61 more ballots in the box than there were people registered to vote. There was no evidence to indicate for whom the ballot box was stuffed; this fact seems to indicate that the stuffing of the ballot box was general and not for any specific candidate.

We do not feel it necessary to enlarge upon the fact that this act is considered criminal in most elections; we think that those who stuffed the box were aware that it was wrong to do so. However, we do ask how college students could be so stupid as to expect a stunt like that to work. And if the people who stuffed the box did not expect the stunt to work, the stunt seems to have been an exercise designed to see who could stuff more ballots. This act seems to be vaguely reminiscent of a bunch of children trying to steal cookies from the cookie jar, the only difference being directional. It is our belief that it is much easier to forgive a crime which shows daring and imagination than it is to forgive a criminally-childish prank executed by people who are supposed to be adults.

## COORDINATION SUGGESTED

An idea was expressed at last Monday's commission meeting which we feel is about the best item to appear in that august body since away back. The idea is a joint committee between the faculty and the students which would try to solve problems common to both groups and would try to coordinate campus activities in a little better fashion than has been done previously.

## A-V Department Orders Movies For Instructors

The audio-visual department of Hartnell is headed by Mrs. Suzanne Handley, who is assisted by John Turner, a Hartnell student.

The purpose of the department is to order films for the teachers and see that the teachers get the films and projectors at the right time.

The department machines include movie projectors, slide and film strip projectors, opaque projectors, record players, and tape recorders. Films are rented from various rental libraries and are obtained on free loan from different firms.

Athletic Injury  
Conference Held

Monterey County Medical society and Hartnell college board of trustees sponsored a clinic last Saturday concerning the prevention of athletic injuries.

Topics discussed included such items as, recognition, prevention, and treatment of athletic injuries, and athletic equipment and protective devices.

The two main speakers were Dr. George J. Hinn, Hartnell college physician, and B. E. Hartsook, registered physiotherapist of Hartnell college.

Dr. J. Frederic Ching, president of Hartnell college, and Dr. W. K. Corp, president of Monterey County Medical society, gave a word of welcome. They were followed by Dr. Hinn, who gave the introductory address.

Buck Up!  
Life's O.K.

By DEMETRIA DA-ATON

You say everything is going wrong? Even your best friend has left you in the lurch?

Don't be too upset! Just because you received deficiency notices doesn't mean you have to be in a poor mood. Oh, you studied real hard so you don't deserve low grades? Well, why don't you go to your instructors and talk everything over with them?

Your friends say that the Hartnell Panthers won over Menlo Oaks in the homecoming game, because you didn't watch them play? Oh, you were down with the flu? You sure missed something, didn't you? Don't be sad! Asiatic flu comes only once in a while, so wouldn't it be proper if you show a little hospitality?

## T.V. Better Than Men

Besides that, last night when Bob called you were watching a nice T.V. program, so you had to hang up at once, giving him the idea that you like to watch T.V. rather than talk with him. Tsk! Tsk! Sure made a mistake, didn't you?

You say you just couldn't follow the steps in your social dancing class, because their steps are different from yours? Besides, there aren't enough gents to lead you?

Cheer up! Things could be worse! And believe me when I say that! I just paid 30 cents for an overdue book.

Rare Volumes Included  
In Silliman Library

The O. P. Silliman Memorial library is a special room adjoining the main reading room. It offers for study one of the finest collections of books on ornithology and natural history on the Pacific coast. Included in the collections are many rare volumes concerning birds and early explorations of the Pacific area, according to Miss Lulla Wiens, college librarian.

Books are filed under categories such as: societies and periodicals, science, Smithsonian institute, national museums, geology and paleontology, natural history, regional natural history, botany, classifications, zoology, insects, reptiles and fishes, vertebrates, agriculture, geography and travel, game, current periodicals, regional ornithology and voyages around the world.

"These books are so important that we do not permit the students to check them out," stated Miss Wiens. "When these books were donated to Hartnell college, we promised to take good care of them," she added.

## Don't Run! She's Friendly

■ Sharon Shoemaker, Hartnell freshman, tries to calm her de-scented, but still nervous and wild, pet skunk, "Tootsie." (Monighetti photo)

## Sharon Shoemaker In Love With De-scented "Tootsie"

"Tootsie," a three and one half month old spotted skunk, has become the pet of Sharon Shoemaker, Hartnell college freshman. Miss Shoemaker received the de-scented skunk about a month ago as a gift from a family friend.

Almost housebroken, "Tootsie" only has "lap accidents" when excited. She will eat anything that is recognized as food, and is treated much in the same manner as a pet cat would be treated. She sleeps all day on her back with her legs in the air, and at night, "Tootsie" prowls and paces her cage, also as a cat might do.

Whenever excited or especially mad, she stomps her feet on the floor or walks on her front legs with her hind quarters in the air. If mad enough, "Tootsie" even tries to squirt her tormentor—this is probably a little disillusioning to her.

Sometimes "Tootsie" will flatten

herself out in the manner of a bear rug and pull herself along with her front legs.

An ideal pet, "Tootsie" will bite only when tormented, as will any other animal. A pet skunk sounds like a lot of fun and undoubtedly something for every household.

## Restriction on "Foreign" Athletes Vetoed By Administrators

New proposals by the state athletics committee on zoning, out-of-state students and football playoffs were defeated during a meeting of junior college administrators held in Yosemite national park.

New regulations which would have placed further restrictions on out-of-county and out-of-state stu-

dents did not carry the required two-thirds vote. A football playoff, which would have started in 1958 with a one-game playoff on Thanksgiving week end, was also defeated. Out-of-state and out-of-county students would have been ineligible for one year had the proposal gained the necessary votes.

## Panthers Slaughter Menlo Oaks 40-14

### Bluemen End Losing Streak At Homecoming

By DENNIS LEE

The Hartnell Panthers routed Menlo 40-14 Saturday before a homecoming gathering at Salinas Union high school stadium. The Panthers snapped a 5-game losing streak as they roared to a commanding 26-0 lead at halftime.

Wayne Handley, honored with the most valuable player trophy at the alumni dance, piloted the highly spirited Panthers. Handley engineered an 82-yard drive, plunging over from the one for the first score. The drive was climaxed by a 31-yard gallop by Fullback Jim Stireman. Bob Cabanyog split the upright with 5:05 remaining in the first period.

Lineman Dick Rohrke intercepted an Oak pass on his own 20 and returned the ball to the 43. Nine plays later, Cabanyog hit paydirt for a 20-yarder, after hauling in a swing pass from Handley. The pass was Handley's only toss of the evening.

#### Stireman Scores

Stireman tallied from four yards out after a 33-yard keeper by the ever-improving Handley. Cabanyog's kick was good as the Harts led 20-0.

With three seconds remaining in the half, Ron Leonti fired a 14-yard TD strike to Al Bague in the end zone. Guard Mio set up the play when he blocked an Oak punt on the 16-yard stripe.

Coach Ken Blue used reserves during most of the final half. The Panthers continued the onslaught against the favored Oaks as Halfback Hal Turner, who starred at Menlo-Atherton last season, outdashed the Oak secondary and galloped 81 yards to boost the scoring to 32-0. The kick was good as the Panthers led 33-0.

#### Ryan Breaks Shutout

Menlo finally countered on the scoreboard as Quarterback Dave Ryan scored from the one to break the shutout. The Panthers quickly retaliated as Bill Beretta scored from two yards out. The scoring drive was set up by a pass interception, one of eight which plagued the famed passing attack of Ryan.

The final score came midway in the final quarter, Ryan connecting on a 62-yard TD aerial to close the gap to 40-14.

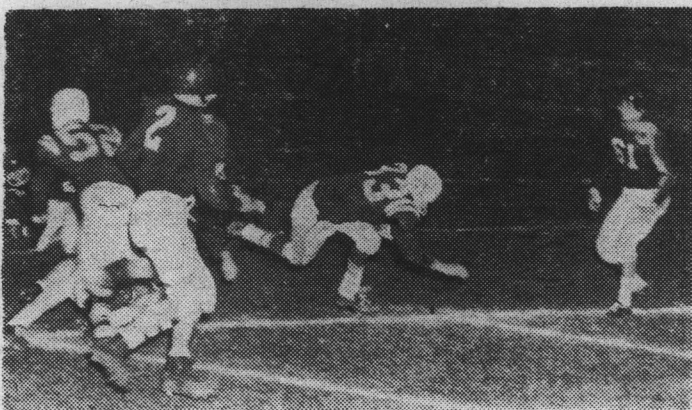

Both squads were hard hit by the flu, with only 25 players suited up on both benches.

Statistics compiled by student statistician Bob Stolic showed Turner the top rusher, with a net gain of 104 yards on four carries

### Hartnell Cross-Country Runners Beat Vallejo; Rudy Garcia Second

Hartnell's cross-country team avenged its previous losses by scoring 27 points to Vallejo's 41 and Monterey's 57 in Saturday's fourth meeting held at Monterey.

Hartnell's team of Rudy Garcia, Gil Hernandez, Jack Jurian, Don Bonino, Keith Montgomery and Robert Stolic captured second, fourth, fifth, sixth, tenth and eleventh place and were clocked in 15:09, 15:24, 15:39, 15:49, 16:42 and 17:12, respectively, in negotiating the two and one-half mile course.

### WAA to Attend Coed Play Day

The Woman's Athletic association of Hartnell is planning to attend a junior college play-day Nov. 16 in San Francisco. It is a coeducational event and 11 junior colleges are to be represented.

Anyone interested in attending may sign up in the women's gym. Tennis, volleyball, basketball, badminton and archery will be played.

for a 26-point average. Cabanyog followed with 62 yards on five carries for a 13.2 average, Stolic indicated.

Teamwise, the Harts gained 390 yards rushing and passing compared to 372 for Menlo. The Oaks compiled 274 yards through the air to 40 for the Panthers. Hartnell outfirst-downed Menlo 18-13.

### Panthers Out to Upset San Jose And End Junior Rose Bowl Hopes

By WAYNE UMBERTIS

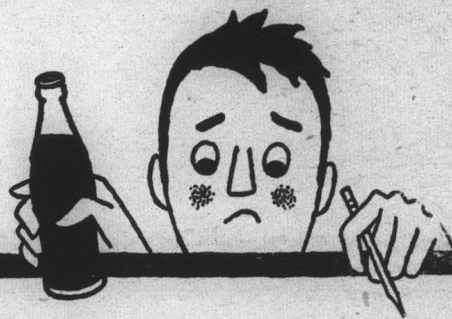

Fresh from their first victory of the season the Hartnell college Panthers will entertain the high flying San Jose Jaguars Saturday night. The Jaguars, who have won six in a row and are high on the list of Junior Rose Bowl contenders, are the only undefeated junior college team in northern California.

Revenge for last year's 25-14 loss is in the air as the hustling Harts are upset-minded and out to knock the cocky Jaguars out of the J.R.B. game.

Remembered as last year's big gun and back for another campaign is the Jaguars' Phil Cordero, a 227-pound giant, who hits with speed and power. Teaming with him at halfback will be Don Mc-

Keta, another power runner at 195 pounds.

The Panthers will start Joe Bass and Ken Blanton at ends, Al Machado and Val Marciel at tackles, Dick Rohrke and Gary Harris at guards, and Bill Elliot at center. The backfield will be composed of Bob Cabanyog and Hal Turner at halfbacks, Jim Stireman, fullback, and Wayne Handley, quarterback.
